Human Resource Manager,
ApproveMe Team

Dear Sir/Madam,

I'm applying for your Young Graduate Program. Based on the posted description, I'm confident that I am fully qualified for the position and will be a strong addition to your team.

I'm a Second Class Upper graduate of Computer Science (B.Tech), with an objective to participate as a team member in a dynamic work environment focused on promoting business growth by providing superior value and service.

I'm an advanced Software Developer with PHP/Laravel tools for Web Development, and Cordova/PhoneGap for Mobile Development. I have experience with Cloud Services (Dropbox, Heroku, AWS S3, Mailgun, Mailtrap.io), Relational DBMS, Git CVS, and various Third Party APIs. The basic languages I work with are Java, C#, PHP, JavaScript, HTML/CSS, SQL, etc.

I have worked on several projects which involved modelling digital business and management solutions with efficient algorithms.

I would appreciate a job interview at your earliest convenience. Please find my resume attached.

I can be reached at the number above or at my email address.

Sincerely,

Victor Ndu
